

# 28bioGRANT for Neurodegenerative Disease Terms and Conditions

## ELIGIBILITY

### **Employment:**

Grant applicant must be actively employed or enrolled at an institution in a role in which they perform cell biology research. Applicants are subject to certain further eligibility requirements set forth below.

Customer status: Applicant must not be a current user of 28bio CNS-3D or PNS-3D Organoids at their lab of employment.

### **Location:**

Product will only be shipped to the United States, Canada, European Union, United Kingdom, or Switzerland.

## GRANT AWARD SCOPE

One winner will receive 3 CNS-3D Induced Alzheimer's Model 24-well plates.

One winner will receive 3 CNS-3D Inflammatory Organoid 24-well plates.

## PUBLICATION OF PROJECT RESULTS

Upon completing the research project, the grant winner agrees to participate in at least one of the following activities with 28bio relating to the data generated using the grant equipment and organoids: joint poster presentation, case study, blog post, or webinar.

The grant winner agrees that 28bio will have the right to publicly announce the grant winner's name and research project focus, and use anonymized data generated as part of the grant program for marketing material.

## INTELLECTUAL PROPERTY

Ownership of the pre-existing underlying intellectual property of the applicant remains the property of the applicant, subject to 28bio's rights to reprint, display, reproduce, perform, use, and exhibit the Application and any results for the purpose of administering and promoting the Program and for 28bio's marketing and advertising purposes.

Applicant hereby warrants that any application and other materials and information provided by applicant, and any results, are original and do not infringe upon the intellectual property, or other rights of any person or entity.

By submitting the application, applicant acknowledges that the information provided will become non-confidential and will remain solely responsible for determining patentability or the advisability of seeking any other intellectual property protection. Any information provided by applicant that is not marked as confidential shall be considered available for purposes of public education or marketing without further consultation with the applicant.

## ADDITIONAL TERMS & CONDITIONS

Applications must be submitted via the [online submission form](#) between 12:00 am ET on March 2, 2026, and before 11:59:59 pm ET on April 13, 2026.

The award winner is responsible for any local tax liability (city, state, or federal) incurred by winning and accepting the award.

28bio reserves the right to select the grant winner in its sole discretion. Employees of 28bio and their immediate family members are not eligible to participate.

28bio reserves the right to disqualify applicants who work for organizations that are direct competitors.

No substitution or transfer of the awarded prize is permitted, except as allowed by 28bio.

Grant applicants agree that 28bio may process personal data provided as part of application in accordance with 28bio privacy policies. See <https://www.28bio.com/legal/privacy-policy> for more information.

28bio may require the grant winner to sign and return an affidavit of eligibility, release of liability, a publicity release, and other appropriate legal documentation reasonably requested by 28bio.

This Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware without giving effect to any choice or conflict of law provision or rule (whether of the State of Louisiana or any other jurisdiction) that would cause the application of Laws of any jurisdiction other than those of the State of Louisiana. Any legal suit, action, or proceeding arising out of or related to this Agreement or the matters contemplated hereunder shall be instituted exclusively in the federal courts of the United States or the courts of the State of Louisiana in each case located in the City of New Orleans and each Party irrevocably submits to the exclusive jurisdiction of such courts in any such suit, action, or proceeding and waives any objection based on improper venue or forum non conveniens.

By applying, applicants represent that you are not prohibited by employment, law, regulation, funding source, industry code of conduct, or the policies or practices of your institution or employer from participating. This Program is void wherever prohibited.

Please submit any questions about the 28bio Grant Program to [grants@28bio.com](mailto:grants@28bio.com).
